This Declaration of Conformity has been drawn up in accordance with Annex VIII to Regulation (EU) 2025/40 of the European Parliament and of the Council of 19 December 2024 on packaging and packaging waste (PPWR).

1. UNIQUE IDENTIFICATION OF THE PACKAGING (POINT 1 OF ANNEX VIII):

Identification	Flexible packaging made of aluminium and PP
Material family	MI.012 - PPWR Technical File - Multimaterial

2. NAME AND ADDRESS OF THE MANUFACTURER (POINT 2 OF ANNEX VIII):

Manufacturer's company name	Packstyle S.R.L.
Registered office and production site	Via Monte Grappa 63 – 31020 San Zenone degli Ezzelini (TV) - Italy
Tax Code and VAT Number	05241550283
E-mail	info@packstyle.com
Website	www.packstyle.com

3. DECLARATION OF SOLE RESPONSIBILITY (POINT 3 OF ANNEX VIII):

This Declaration of Conformity is issued under the sole responsibility of the manufacturer, Packstyle S.R.L.

4. OBJECT OF THE DECLARATION (POINT 4 OF ANNEX VIII):

Description	Packaging made from a multimaterial structure consisting of PET, aluminium and cast PP, laminated using solvent-free adhesives and designed for flexible packaging applications requiring excellent barrier properties against oxygen, water vapour and light.
Technical Data Sheets Nos.	REG.411 – STP.033-07 - EN_ALUMINIUM GLOSSY REG.411 – STP.034-07 - EN_ALUMINIUM MATTE REG.411 – STP.035-07 - EN_ALUMINIUM SOFT TOUCH
Packaging components	The packaging can be customised with a choice of three external finishes: glossy, matt or soft-touch. It may also be fitted with a zipper, valve, spout and cap.

5. CONFORMITY WITH THE RELEVANT UNION HARMONISATION LEGISLATION (POINT 5 OF ANNEX VIII):

The object of the declaration described in Point 4 complies with the applicable provisions of Regulation (EU) 2025/40 (PPWR) on packaging and packaging waste.

6. REFERENCES TO THE RELEVANT HARMONISED STANDARDS, COMMON SPECIFICATIONS OR OTHER TECHNICAL SPECIFICATIONS IN RELATION TO WHICH CONFORMITY IS DECLARED (POINT 6 OF ANNEX VIII):

Conformity with the design and environmental requirements and limits established by Regulation (EU) 2025/40 was assessed in accordance with the procedure set out in Article 38. The results are retained in the Technical Documentation File prepared in accordance with Annex VII. The assessment covered, in particular:

Art.	PPWR requirement	Result / Status	Documentary reference
5	Substances in packaging: heavy metals and, for food-contact packaging, applicable restrictions on PFAS	Compliant on the basis of the evidence referenced in the Technical File	MI.012; supplier declarations and test reports identified in the Technical File
6	Recyclability	Requirement subject to progressive application. The final assessment will be updated in accordance with the design-for-recycling criteria and methodologies adopted under the PPWR	MI.012; EN 13430 used as a supporting technical specification, without anticipating the PPWR classification
7	Recycled content in plastic parts	Requirement not yet applicable on the date of issue. Applicability and percentages will be verified in accordance with the deadlines set out in Article 7	MI.012; Regulation (EU) 2025/40, Article 7
8	Bio-based raw materials in plastic packaging	N.A. - no bio-based raw materials are declared	MI.012; material specifications
9	Compostable packaging	N.A. - the packaging is neither designed nor declared to be compostable	MI.012; material specifications

Art.	PPWR requirement	Result / Status	Documentary reference
10	Minimisation of packaging weight and volume	Requirement applicable from 1 January 2030; the assessment must be completed and kept up to date in accordance with Annex IV	MI.012; EN 13428 used as a supporting technical specification
11	Reusable packaging	N.A. - single-use packaging	MI.012; intended use
12	Packaging labelling	Applicable in accordance with the deadlines and implementing acts provided for in Article 12	MI.012; Regulation (EU) 2025/40, Article 12

7. REFERENCES TO THE CONFORMITY ASSESSMENT BODIES THAT PERFORMED THE TESTS AND ISSUED THE RELEVANT CERTIFICATES (POINT 7 OF ANNEX VIII):

The conformity assessment procedure was carried out internally by the manufacturer in accordance with Article 38 and Annex VII to Regulation (EU) 2025/40, without the involvement of a notified body.

The analytical tests supporting the assessment were performed by qualified external laboratories. The relevant test reports are identified in Technical File MI.012 and referenced in Point 6 of this Declaration.

8. OTHER INFORMATION (POINT 8 OF ANNEX VIII):

This Declaration is valid for 12 months on the basis of the risk assessments included in MI.012 - PPWR Technical File.

Place and date:
San Zenone degli Ezzelini (TV), Italy - 30 October 2026
